The Royal mail steamship Empire, Capt. Moodie, from Liverpool 11 a. m. 13th, via Queenstown, arriving at the 14th inst., arrived at this port at 10:30 last night, with 33 passengers for Boston, and sailed again for that port at daylight this morning.

Steamship Teutonia, from New-York, arrived at Southampton on the 12th inst.

Steamship Etna, from New-York, arrived at Liverpool on the 11th.

Great Britain.

The newspaper comments upon American affairs are generally of an unimpaired character.

The *Shipping Gazette* says that the steamer *Ariadne*, has been ordered to leave Halifax, and, after visiting New-York, to join Admiral Milne's squadron at Bermuda. This movement looks like a concentration of the disposable force of Milne's squadron in the localities of recently reported outrages on British shipping by Union cruisers, which have been perpetrated with a knowledge that there is no force at the Cape of Good Hope to intercept vessels, and with instructions to do so. The *Gazette* thinks that even Wilkes will hardly venture upon further molestations or violation of neutral territory.

The recently formed London Emancipation Society has issued circulars to ministers of all denominations, urging them to give prominence to the subject of negro emancipation from their pulpits in view of the inauguration of Mr. Lincoln's emancipation policy with the new year.

The *London Star* says: The most enthusiastic meeting has been held at Lambeth, to express sympathy with the Anti-Slavery policy in America. About 3,000 persons were present.

A return shows that during the present year 46 American ships had been registered at Liverpool under British flags.

A general meeting of the Atlantic Telegraph Company was held in London on the 12th. The Hon. James Sturt Wortley presided, and stated the terms on which it was proposed to raise £600,000 new capital, as already published. He announced that within three days £75,000 had, in response to the circulars, been subscribed. A resolution was carried to raise the new capital in shares of £5 each for laying down a new cable. The meeting was regarded as most encouraging and successful.

The *Daily News*, *Star*, and other journals warmly advocate the claims of the Company.

The Times says notification is advertised that a new undertaking for laying the cable has been formed with continental support, and will shortly be introduced.

France.

There are again rumors in Paris of unfavorable news from Mexico, and urgent calls for reinforcements, which, it is said, will be sent under the device of establishing a reserve at Martinique.

The Cardinal Archbishop of Paris has gone to Rome, it is rumored, in the name of the Emperor to explain to the Pope the Emperor's views, with a view to the conciliatory measures on the part of the Pontifical Government.

Italy.

Parliament resumed on the 11th. Farini explained his policy and promised Administration reforms, based upon the system of decentralization and development of constitutional liberties. He eulogized the army for having under a painful trial reestablished the authority of the law. He said: "With unshaken confidence in the accomplishment of Italian unity, we abstain from making promises which might not be followed by immediate effects, and await the course of events without illusion and without discouragement. We shall be careful to maintain alliance while preserving the independence of the country." He concluded by appealing for Italian concord, which is personified in the King.

A duel between Garibaldi's eldest son and Col. Pallavicini, who captured Garibaldi, the young man is said to have received a mortal wound in the side, and the Colonel was seriously hurt.

Spain.

Gen. Prim has sent lengthy explanations in the Cortes on the conflict in Mexico. He read confidential letters addressed to him by Admiral La Graviere, containing strange details relative to the capture of the Emperor. According to these letters, Almondo declared he was authorized by Napoleon and Archduke Maximilian himself to put forward the candidacy of the latter, and that the French troops would guarantee the throne of Mexico to the Archduke.

Gen. Prim also read letters by O'Donnell and Colantes recommending the strict execution of the treaty of London. He said the English represented the Emperor, and the French represented the Archduke.

The announcement that Russia consented to the candidature of King Ferdinand of Portugal to the Greek throne, is unfounded.

It is rumored that St. Petersburg will be shortly declared a free port.
